

OUTLINE LCC FOR CULTURAL STUDIES

The Library UvA places printed acquisitions for the Humanities collection according to the *Library of Congress Classification* (LCC). The LCC-codes make up the beginning of the call numbers for books and journals that are placed in open shelving. Most literature for Cultural Studies is placed in the University Library, Singel 425. Other libraries of the UvA, e.g. the library of the P.C. Hoofthuis, might also hold relevant publications. The most important codes for Cultural Studies are listed below. For other subjects, see the [Quick Reference Guide Humanities Collections](#) or the [Library of Congress Classification Outline](#).
